Dear Students/Parent-Guardians:

Northern Valley Regional High School District students will have the opportunity to earn college credit through New Jersey Institute of Technology (NJIT) for courses here at Northern Valley during the regular school day as part of our Dual Enrollment Program. Your child is enrolled in one of the two courses that qualify for this Program. This is a great opportunity to demonstrate college readiness and has the potential for transferrable college credits.

NJIT Dual Enrollment courses are open to grade 11 and 12 students in good academic standing who are capable of performing college level coursework. Tuition for NJIT Dual Enrollment courses is \$150 per credit (\$300 per 2 credit course).

Once registered, students must earn a final year grade of "B" or better in their NJIT Dual Enrollment course in order to receive NJIT credit. A grade of "C," "D" or "F" will result in a student's termination from the program without being rewarded credits.

Also please be aware that not all colleges will accept credits earned through NJIT. Students should consult the universities they plan to apply to or attend to determine whether the NJIT credits will be accepted in their program of study. The two NJIT approved courses are:

NVD Course Name	Teacher	NJIT Course Name	Credits
Biomedical Technology 2	Chamuris	FED-101	2
Biomedical Technology 2H	Chamuris	FED-101	2

Next summer, students will request their transcript from NJIT through the following link:

<http://www.njit.edu/registrar/transcript/>. (Please keep the letter portion of this form so that you will know how to retrieve transcript.)

Students may register by filling out the form below and returning to the Guidance Office BY OCTOBER 1 with a check payable to N.V.R.H.S. for \$300.

\*\*\*\*\*

Student Name \_\_\_\_\_ Grade \_\_\_\_\_ Student # \_\_\_\_\_

NVD Course in which I am enrolled: \_\_\_\_\_ Biomedical Technology 2 -- (FED-101)

\_\_\_\_\_ Biomedical Technology 2(H) -- (FED-101)

**PLEASE RETURN WITH YOUR CHECK FOR \$300 PAYABLE TO N.V.R.H.S. BY MONDAY, OCTOBER 1. REGISTRATIONS SUBMITTED AFTER THIS DATE WILL NOT BE ACCEPTED BY NJIT, AS THIS IS THEIR DEADLINE.**
