

# Norsemen Booster Membership Application 2018-2019

The Norsemen Booster Club is a parent-run organization that raises funds to support our sports teams and student-athletes. Our funds pay for many non-budgeted program items including: new and updated banners, championship plaques, senior portraits, weight room upkeep, golf cart maintenance, video equipment and analysis software (Hudl), Hall of Fame sponsorship and much, much more. This past year the club also made a very significant donation toward the new scoreboard for the turf field. All in support of our first-class athletes and programs.

In addition to providing these items, the Boosters awards up to FOUR scholarships to student-athletes who participated in four years of athletics at the High School AND who are members of the Booster Club (students must submit completed application).

### Benefits of NVD Booster Club Membership

1. Season passes for all home and regular season athletic events
2. Scholarship eligibility for all seniors
3. Supporting our student-athletes by providing programs, essential items and support items to improve athletic programs by filling budget gaps
